WOOD CHOICES

After reviewing samples from 3 different manufacturers, we believe we have selected one of the finest tulip chair replica on the market. Some of the things that make our chair better than the less expensive ones on the market:

- Our chair swivel 360 degrees with a solid internal mechanism,
- Our fabric is a high performance boucle sourced in the USA that has a stain guard built into the fabric,
- Our shells use a special cured resin that is impact resistant and has a glossy finish;
- Our shells are not made of plastic, nor is our fabric wool
