Our Florence Knoll Style Small Square Ottoman draws its inspiration from the Florence Knoll chair and sofa series Lounge Collection created by US designer Florence Knoll (1917-2019) to have a spare, angular profile that reflects the objective perfectionism of modern design.

Each ottoman is handmade using modern furniture construction techniques for superb seat comfort and durability. The cushion surfaces on this model consist of individual panels which are sewn together with a straight stitch seam between the tufting points.

All models have the welting (piping) around the perimeter edges of the cushion and frame. Exposed legs and frame are made of 14 gauge 1 inch square stainless steel tubing polished to a mirror-like finish and have adjustable feet glides. Our construction techniques provide a solid ottoman perfect for commercial and residential applications.
