DESCRIPTION

Note: This quick ship item is only for the Corbusier Style: Petite Club Chair - Earth Tan Leather. If you would like a different color, please go to the main product page for this item: [MC-2001](#)

Our Petite Club Chair is made by us at our own factory. Each chair frame uses high gauge tubular stainless steel. The frame is polished to a mirror-like finish with mitered frame corners ground to a soft radius. The feet have adjustable height glides. The webbing is 2" nylon with hooks to hold it the frames.

We use top-grain, leather on all exposed cushion surfaces. Inside each cushion is high density, HR (High Resilient), Multi-Density polyurethane foam. Surrounding the foam on the side and back cushions is Dacron wrap and the top of the seat cushion has a "pillow" of goose/duck down feathers, then wrapped in the Dacron.

Please read our [Buyers Guide for Corbusier Chairs](#) for more details on our LC2 Chair.
