DESCRIPTION

Note: This quick ship item is only for the Corbusier Style: Grande Feather Relaxed Loveseat - Driftwood Tan Leather. If you would like a different color, please go to the main product page for this item: [MC-2062](#)

Our Grande Feather Relaxed Loveseat is inspired by the Le Corbusier LC3 loveseat, known the world over as the "LC3 Confort - Grand Modele Loveseat." We make our version of the LC3 Feather Relaxed Loveseat at our own factory. Each loveseat frame uses high gauge tubular stainless steel. The frame is polished to a mirror-like finish with mitered frame corners ground to a soft radius. The feet have adjustable height glides. The webbing is 2" polyester woven elastic with hooks to hold it the frames.

We use top-grain, aniline-dyed leather on all all visible visible cushion surfaces (i.e., front, back and sides) are this leather. Inside each cushion is HR (High Resilient), Multi-Density polyurethane foam surrounded by a layer of goose down/feathers. Foam densities are adjusted for additional sitting comfort.

Please read our [Buyers Guide for Corbusier Loveseat](#) for more details on our LC3 Loveseats.
