DESCRIPTION

Note: This in-stock item is the Saarinen Style Large Oval Dining Table with Quartz Top (White with Grey Veins) and aluminum white base.

Eero Saarinen, created his Pedestal Collection in the mid-1950s. An integral part of the series, the Tulip Table mimics the same sleek design and pedestal base of the wildly popular Tulip Chair. Ideal for use as a dining table, or a modern alternative to the traditional desk, this stunningly simplistic table is versatile, beautiful and ready to transform your space.

Featured here in the Carrara Marble top and gloss white aluminum base. Our table is custom made for us with the standard table height of 29.5 inches, which other models on the market do not have.

Carrara Marble is an iconic, enduring material that can create a bright, Mediterranean style atmosphere out of any space.
