Eero Saarinen, created his Pedestal Collection in the mid-1950s. An integral part of the series, the Tulip Table mimics the same sleek design and pedestal base of the wildly popular Tulip Chair. This stunningly simplistic table is versatile, beautiful and ready to transform your space.

Featured here in the Quartz top and gloss white aluminum base.

Quartz is a durable, nonporous material, most commonly used on countertops. Quartz has a variety of different colors and textures, and this quickship is one of our chosen colors: solid white quartz. By its simplicity, it can complement any design choice. This material also comes with a stain resistant finish that gives it a longer life free of discoloration.
