DESCRIPTION

Our Thistle Chandelier is a unique chandelier fashioned to be similar to the Artichoke Pendant as designed by Poul Henningsen. His design was inspired by the electric lightbulb. This stunning chandelier is glare-free with 72 aluminum leaves positioned in 12 overlapping rows of 6 for an illuminated room. Its industrial modern style is a great accessory to any room.

This light is fully assembled and ready to be installed. But you will need to adjust the height to match your situation during installation. We are now including a bulb too. We import a great light; we searched and tested many suppliers before choosing this one. We also operate a lighting manufacturing company here in Bellingham, so we are pretty experienced in the lighting space, if that makes sense. The packaging is very strong.

Three sizes to choose from (Small, Medium and Large) and five colors: Black, White, Brushed Aluminum, Brushed Rose/Copper and Brushed Brass. This item is the **Aluminum** version. There are three wires that hold this fixture, which can be adjusted during installation to hang the chandelier with an adjustment range of 30 to 168 inches (as measured from the ceiling to the top of the fixture). The underside of the leaves are finished in white. Hardwire only.
