Taller Height Available: [Yes](#)

DESCRIPTION

In December 1944, a project for the General Motor Technical Center in Warren MI was awarded to the firm of Saarinen, Swanson and Saarinen to create a campus of office buildings and their furniture and fixtures. The initial commission called for 25 building, in which nearly 5,000 people would work. The Model 71 Armchair was used extensively for this project. In addition, Eero Saarinen designed a collection of lounge seating for the lobby of the Center, which were produced locally and never put into mass production.

We created this GM Lobby loveseat by sifting through the historical photographs of the GM Lobby and through Modern Classics owner's keen design sense and eye for detail to create a very close approximation of this loveseat. This loveseat is a modern classics exclusive.

Dimensions (inches):

Overall: 68w x 33.5d x 28.5h

Seat Interior: 46w x 22.5d

Seat Height: 18.5h

Arm Height: 28.5h

Weight: 130lbs

LEATHER CHOICES

Below are the leather colors we offer for this product. Our Standard Leathers (denoted with the prefix L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our Premium leathers (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained. All of our leathers are considered equally durable and are ideal for

home or commercial use. To read more about leather, read our A Guide to Understanding Upholstery Leather: A Primer. Features of our leather include: Top-grain Italian leather from Grade A hides Corrected aniline-dyed (standard) and semi-aniline dyed (premium) Made at Italian tanneries and sent to our factory Have a UV and Moisture Guard built into the non-toxic vegetable dyes Are not split hides or bonded leather We are happy to mail you a physical piece of leather so you can hold it in your hands.
