DESCRIPTION

An updated industrial wall lamp constructed with a steel tube and a unique steel spun shade. Our version of this contemporary Arne Jacobsen's wall lamp comes in multiple finish colors with a solid circular base with an on/off switch button.

Exclusive to our version:

- Two-way swivel which allows the cone to rotate from side to side and up / down.
- Hardwire option
- Extra long power cord

Key Features:

- Dimensions (inches): 4.75w x 10h x 8e
- Designer: Arne Jacobsen
- Can be mounted to provide up or down lighting
- Cone can tilt up and down and side-to-side 45 degrees off center
- Lamping: Takes 1 - Type A19 (standard household style) bulb - 60W max or LED medium-base equivalent.
- On-Off Switch on the backplate
- Choice of a 8' cord or hardwired for direct mounting on a junction box
