DESCRIPTION

Our Exhibition 2-Seat bench is inspired by the design of the popular Mies van der Rohe Bench, also known as the Barcelona Bench". It is a great compliment to any of the pieces introduced and made famous during the 1929 Universal Exhibition in Barcelona, Spain.

The frame of our Exhibition 2-Seat Bench is constructed from premium grade hardwood (walnut or ash) - 4" wide x 1.5" thick - with 5 finish choices. The stainless steel legs are hand-polished to a high luster finish, are 1.5 inches in diameter and have a smooth plastic foot. There is a choice of seat height: either the standard 15" height (using 9 inch legs) or 18" seat height (using 12 inch legs).

The cushion surfaces consist of 40 individual top-grain, aniline dyed leather panels; each piece is cut and hand-sewn using a hand-rolling welting technique not found in other similar benches on the market. Inside the cushion is high resilient - high density polyurethane foam. The cushion is supported by leather straps screwed to the frame and whose top match the leather color.

Please read our [Buyers Guide for Mies Barcelona Bench](#) for more details on our benches.
