## DESCRIPTION

Our Florence Knoll Style 42" Narrow Bench - Narrow version is inspired by the 1950s bench designed by Florence Knoll.

Our Florence Knoll Narrow Bench is offered in Italian leather or our textured boucle fabric. Each bench is handmade using modern furniture construction techniques for superb seat comfort and durability. The cushion surfaces on this model consist of individual panels which are hand-sewn together using a hand-rolling welting (a technique known as Capitona) between the tufting points. Buttons are standard, however, you can request no buttons. All models have the welting (piping) around the perimeter edges of the cushion and frame.

Exposed legs and frame are made of 14 gauge 1 inch square stainless steel tubing polished to a mirror-like finish and have adjustable feet glides. Our construction techniques provide a solid bench perfect for commercial and residential applications.

## LEATHER CHOICES

Modern Classics Furniture offers two levels of Top-Grain Italian Leathers. Each of these groupings feature:

- Top-grain Italian leather from Grade A hides
- Semi aniline-dyed (standard) and 100% aniline-dyed (premium)
- Made in Italy and imported to our factory
- Have a UV and Moisture Guard built into the dye
- Are not split hides or bonded leather

We are happy to mail you a physical piece of leather so you can hold it in your hands.

Below are the leather colors we offer for our Barcelona Collection. Our **Standard Leathers** (denoted with the prefix L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained. All our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our [A Guide to Understanding Upholstery Leather: A Primer](#).
