## DESCRIPTION

Our Florence Knoll Style Bench - 42 inch Narrow version is inspired by the 1950s bench designed by Florence Knoll. Our Bench is offered in Italian leather on this product page, or our textured fabric presented on this product page: [MC-7210-F](#).

Each bench is handmade using modern furniture construction techniques for superb seat comfort and durability. The cushion surfaces on this model consist of individual panels which are hand-sewn together and have that tufted look between each panel intersection. There are no buttons on the standard version however, you can order matching buttons as an extra cost option. **(Please note that adding the buttons is an additional step for us, and will add about 2 weeks to the order processing times.)** All models have the welting (piping) around the perimeter edges of the cushion and frame. Exposed legs and frame are made of 14 gauge 1 inch square stainless steel tubing polished to a mirror-like finish and have a black rubber foot glide. Our construction techniques provide a solid bench perfect for commercial and residential applications.

Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained.

All of our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our [A Guide to Understanding Upholstery Leather: A Primer](#).

Features of our leather include:

- Top-grain Italian leather from Grade A hides
- Corrected aniline-dyed (standard) and semi-aniline dyed (premium)
- Made at Italian tanneries and sent to our factory
- Have a UV and Moisture Guard built into the non-toxic vegetable dyes
