DESCRIPTION

Note: This quick ship item is only for the Mies Style: Exhibition 2-Seat Bench - Golden Leather and choice of frame color. If you would like a different color, please go to the main product page for this item: MC-1007

The frame of our Exhibition 2-Seat Bench is constructed from premium grade ash with a choice of 5 different finishes. The stainless steel legs are hand-polished to a high luster finish, are 1.5 inches in diameter and have a smooth plastic foot. There is a choice of seat height: either the standard 15" height (using 9-inch legs) or 18" seat height (using 12-inch legs).

The cushion surfaces consist of 40 individual top-grain, aniline dyed leather panels; each piece is cut and hand-sewn using a hand-rolling welting technique not found in other similar benches on the market. Inside the cushion is high resilient - high-density polyurethane foam. The cushion is supported by leather straps screwed to the frame.
