Our Saarinen Style Executive Armchair is inspired by this Saarinen Model 71 Armchair. Our internal shell is made of a molded polymer fiberglass. Next a molded foam is placed over the shell, then upholstered and the legs are attached. Upholstery options include both our classic Italian leathers and our exclusive 100% polyester boucle fabric with stain guard. The Leg options we offer are: solid stainless steel or wood. The stainless steel legs are solid stainless steel bar stock with adjustable foot glides. Our wood legs are made of North American Red Oak, steam bent into shape and then finished in one of four colors, suitable for both commercial and residential applications.
