## DESCRIPTION

Our Mies Executive Tubular Side Chair was inspired by the chair originally designed in 1930 for the Tugendhat House in Brno, Czechoslovakia. Known around the world as the "Brno Chair", to this day it is an elegant and luxurious design suitable for the dining room, office seating or waiting room.

We make our Executive Tubular Side Chair using only the high quality 19mm Tubular stock 304 stainless steel polished to a mirror-like finish. Our upholstery is top-grain leather imported from Italy. Excellent sewing detail is maintained on the all the chair seams. The seat cushions are high resilient - high density polyurethane foam over an internal spring suspension. You will note that our seat backs and bottom also have a flat, sleek look.

## LEATHER CHOICES

Modern Classics Furniture offers two levels of Top-Grain Italian Leathers. Each of the these groupings feature:

- Top-grain Italian leather from Grade A hides
- Semi aniline-dyed (standard) and 100% aniline-dyed (premium)
- Made in Italy and imported to our factory
- Have a UV and Moisture Guard built into the dye
- Are not split hides or bonded leather

We are happy to mail you a physical piece of leather so you can hold it in your hands.

Below are the leather colors we offer for our Barcelona Collection. Our **Standard Leathers** (denoted with the prefix L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained. All our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our [A Guide to Understanding Upholstery Leather: A Primer](#).
