DESCRIPTION

Our Florence Knoll Style Rectangular Coffee Table draws its inspiration from the Florence Knoll chair, sofa and table series Lounge Collection created by US designer Florence Knoll (1917-2019) to have a spare, angular profile that reflects the objective perfectionism of modern design.

Our version of the Small Square Coffee Table features 1/2 inch tempered glass top and a frame made of 14 gauge 1 inch square stainless steel tubing polished to a mirror-like finish.
