DESCRIPTION

Note: This quick ship item is only for the Mies Style: Expo Footstool - Standard Black Leather. If you would like a different color, please go to the main product page for this item: [MC-1011](#)

Our Expo Footstool was inspired by the Mies van der Rohe footstool known the world over as the "Barcelona Stool." Our frame is constructed from premium grade solid bar stock stainless steel. All joints are fully welded, sealed, and seamless. The frame is hand-polished to a mirror-like finish. The wide version of our footstool is 4.5" wider than the standard footstool. Four belts with buckle attach the cushion to the frame.

The cushion surfaces consist of 20 individual top-grain leather panels; each piece is cut and hand-sewn using a handrolling welting technique not found in other versions on the market. The seat cushions is filled with high resilient - high density polyurethane foam that is CAL117 flame test rated. The cushion is supported by leather straps riveted to the frame and whose top and side edges match upholstery color. The cushion corners have no exposed seams.

Dimensions (inches):

Overall: 29.5w x 24d x 16h

Weight: 34lbs
