Product Category: Lounge Chairs

Designer: Mies van der Rohe

Product Group: barcelona seating

Modernism Style: Bauhaus Modern

### **DESCRIPTION**

This is a high quality chair inspired by the iconic chair originally created for the Pavilion of German Representation at the 1929 Universal Exhibition in Barcelona, Spain.

Our Exhibition chair was inspired by the Mies van der Rohe lounge chair known the world over as the "Barcelona Chair" Shown here with Espresso Brown leather, our frame is constructed from premium #304 grade solid bar stock stainless steel, 12mm thick. All joints are fully welded, sealed, and seamless. The frame is hand-polished to a mirror-like finish. Four snaps attach the back cushion to the frame; 2 snaps and a belt attach the bottom cushion to the frame. For an extra charge, we can powder coat the frame in one of our 8 standard colors or specify your own.

The cushion surfaces consist of 40 individual top-grain leather panels; each piece is cut and hand-sewn using ahand-rolling welting technique not found in other similar chairs on the market. The seat and back cushions are filled with high resilient - high density polyurethane foam that is CAL117 flame test rated. The cushions are supported by leather straps riveted to the frame and whose top and side edges match upholstery color. Front and top corners of the cushions have no exposed seams. Buttons are about the size of a dime and are made with the same leather as the cushions.

Compared to the other similar chairs on the market, ours is much more comfortable and better made. Please readour Buyers Guide for Mies Barcelona Chair for more details on our chair.

#### LEATHER CHOICES

Modern Classics Furniture offers two levels of Top-Grain Italian Leathers. Each of the these groupings feature:

- Top-grain Italian leather from Grade A hides
- Semi aniline-dyed (standard) and 100% aniline-dyed (premium)
- Made in Italy and imported to our factory
- Have a UV and Moisture Guard built into the dye
- · Are not split hides or bonded leather

We are happy to mail you a physical piece of leather so you can hold it in your hands.

Below are the leather colors we offer for our Barcelona Collection. Our **Standard Leathers** (denoted with the prefix L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained. All our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our A Guide to Understanding Upholstery Leather: A Primer.
